ORTHOPAEDICS PRODUCTS CATALOGUE

Dear Friends,

Peerless Biotech Pvt Ltd was established in 2001. Headquartered in Chennai, we are serving the healthcare segment for more than two decades.

With a broad range of Diagnostic products and devices like Biochemistry analysers, Test kits, Glucose monitoring meters and test strips, Blood collection tubes, 'PEERLESS' brand is synonymous with reliability and high quality at affordable prices.

We have a strong Pan India presence with our Blood Glucose monitoring systems. Our 'ON CALL' range of Glucose monitoring systems are widely recognized among the medical fraternity.

Peerless has a broad customer base of Pathological Laboratories and hospitals who are catered by an extensive network of 600+ distributors Pan India. The turnover of our company was Rs 170 crore in 2023 - 24 and our plan is to reach Rs 500 crore turnover in days to come.

We have introduced our brand 'PEERBIO' to venture into the field of Orthopaedic, Pain management and home healthcare. As always, we have done thorough research and have designed our products meticulously, maintaining high quality standards in every aspect of product development.

Our goal is to provide a One-stop solution for customers and professionals in Orthopaedic, rehabilitation, Pain Management and Healthcare/wellness segments. In our endeavor to do so, we have aligned the launch of a wide range of products in related categories in the upcoming days.

In our journey towards excellence and universal wellness we request your involvement in every possible way and be a part of our success story.

There is a space for everyone in PEERLESS and there is scope for everyone to contribute.....

Yours Always,

S Mohan Kumar
CEO
